Notice of Proposed Action

December 19, 2007

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes. The Administrator has received a complete application for renewal of water pollution control effluent reuse discharge permit (NEV2002512) from the applicant:

Spanish Trail Golf and Country Club
5050 Spanish Trail Lane
Las Vegas, Nevada 89113

The applicant utilizes tertiary treated, filtered, nitrified and partially denitrified, disinfected effluent for reuse spray irrigation of turf grasses and drip irrigation on trees and shrubs on the 27-hole, 198 acre Spanish Trail Championship Golf Course property at Tropicana Avenue and Spanish Trail Lane in west Las Vegas. The reclaimed (reuse) water is supplied by the Desert Breeze Water Resource Center. The reclaimed water is managed by the Las Vegas Valley Water District (District) wherein, depending on availability of effluent, potable water supplied by the District will be mixed at the Blending Bay at the Desert Breeze facility and delivered to the Spanish Trail golf course pumping station to meet irrigation needs. Reuse irrigation is conducted in accordance with the approved Effluent Management Plan, and the terms and conditions of the permit. Monitoring is required. The permit will be reissued for a five (5) year period.

The Administrator has also received a complete application for renewal of water pollution control effluent reuse discharge permit (NEV2002515) from the applicant:

Bear's Best Las Vegas
11111 West Flamingo Road
Las Vegas, Nevada 89135 - Clark County

The applicant utilizes tertiary treated, filtered, nitrified and partially denitrified, disinfected effluent for reuse irrigation of turf grasses and desert landscaped areas at the Bear's Best Las Vegas Golf Course at 11111 West Flamingo Road in west Las Vegas. The reclaimed (reuse) water is supplied by the Desert Breeze Water Resource Center, and is managed by the Las Vegas Valley Water District, (District). Due to reuse water availability, potable water supplied by the District is blended in the irrigation storage lake at Bear's Best to meet irrigation needs. Reuse irrigation is conducted in accordance with the approved Effluent Management Plan, and terms

and conditions of the permit. Monitoring is required. The permit will be reissued for a five (5) year period.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes (NRS) as amended, and implementing regulations, the Administrator proposes to issue a permit to discharge, subject to certain effluent limitations and special conditions.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing, within thirty (30) days of the date of newspaper publication, by 01/26/2008, either in person or by mail to:

Department of Conservation and Natural Resources
Division of Environmental Protection
Bureau of Water Pollution Control
901 South Stewart Street, Suite 4001
Carson City, Nevada 89701

The request must be filed within the comment period and must indicate the interest of the person filing the request and the reasons why a hearing is warranted. All comments or objections received within the thirty (30) day period will be considered in the formulation of final determinations regarding the applications. If written comments indicate a significant degree of public interest in the proposed permits, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date. If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.

The application, proposed permit, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by calling Icyl C. Mulligan, Bureau of Water Pollution Control at 775.687.9432, or by FAX at 775.687.4684. The Public Notice and Fact Sheet are available on the NDEP website at www.ndep.nv.gov/admin/public.htm.

Please bring the foregoing notice to the attention of all persons whom you know would be interested in this matter.
